EXPLANATION OF RELEVANCE

25 The respective German above counterparts to References AA and AB
were cited by a foreign Patent Office in connection with examination of a
counterpart application for the above-referenced United States application,
together with References AL, AM and AN.

Copies of each of the References AL, AM and AN are submitted
herewith, together with Form 1449 on which all of the references are listed.

English translations of References AL, AM and AN are not readily available to the Applicants, but each of those references has an English-language Abstract attached thereto.

Early consideration of the application is therefore respectfully requested.
